

Terence Mauri

FUTURE OF LEADERSHIP THINKER

FUTURE OF LEADERSHIP SPEAKER

Terence Mauri is a future of leadership thinker who challenges leaders to innovate, adapt and thrive in the age of disruption.

He is an Inc. Magazine Writer, Entrepreneur Mentor in Residence (London Business School), Inc. Top 30 Future of Leadership speaker and author of the global bestseller, **The Leader's Mindset: How To Win In The Age of Disruption** described as a 'game changer' by MIT.

THINKERS50 SPEAKER

Terence has been ranked by **Thinkers50 as one of the top 30 management thinkers in the world**. His thinking has been featured in Forbes, The Economist, Reuters, Thinkers50 and Wired.

Invite Terence to guide your organization on the journey of owning the future by asking five catalytic questions:

1. What will it take to win in the future?
2. How do we turn disruption into opportunity?
3. How do we scale trust, alongside technology and privacy laws?
4. How do we scale intelligence and fight complexity with simplicity?
5. Which old mindsets, models and behaviours must we unlearn?

TOP RATED TALKS

Are you ready to survive or thrive in the age of robots? Leaders from Alibaba, HSBC and Facebook choose Terence to ignite Mindset 2.0 – a disruption mindset to break the rules and reimagine your business today.

Terence has first hand experience of leading disruption as a former director at Saatchi & Saatchi and McKinsey where he led global transformation projects. Then one day a car lost control, mounted the curb and hit Terence.

This terrible accident changed his life forever and has enabled him to build new strategies for one of the greatest challenge facing leaders today: transforming your business in the face of massive and yet hard to predict disruption.

WATCH KEYNOTES

▶ **Hack The Future:**

The future has already happened. While many fear that robots will take their jobs, the rise of exponential technologies begs a bigger question: how do you continue to reinvent today whilst creating tomorrow?

▶ **The Disruption Mindset:**

Today is the slowest it will ever be in your lifetime. What are the mindsets, skillsets and toolsets to think and act like a disruptor? How do you disrupt yourself to remain future-proof?

▶ **Survive or Thrive in the Age of AI:**

Tech is transforming not only business but also every facet of leadership. Terence will outline the megatrends shaping the future of business and consumer behaviour, and the lessons learned from companies who are building bold, resilient futures, today.
